

SPECIAL REPORT THE 2012 IPA 200

**Excerpted in part from the September 2012 Issue
Vol. 26, No. 9 of INSIDE Public Accounting**

INSIDE Public Accounting is pleased to present its third annual ranking of Beyond the IPA 100, the **IPA 200** firms.

For more than 25 years, IPA has sustained a tradition of excellence by compiling the annual IPA 100 firms, the IPA Best of the Best and IPA All-Stars. As the profession continues to grow and evolve, IPA will evolve with it. This year, more than 430 firms participated in the 22nd IPA Annual Survey and Analysis of Firms.

The August 2012 issue identifies the IPA 100 – the 100 largest firms in the U.S., beginning with Deloitte (\$11.9 billion) at No. 1 and ending with No. 100, Kahn, Litwin, Renza & Co. (\$30.9 million).

For this year's ranking of the IPA 200, we pick up where the IPA 100 issue left off and identify those notable firms ranking No. 101 to No. 200. Minimum net revenue to make the IPA 200 is \$13.2 million.

As we enter our third decade of analyzing and reporting on the profession, we look forward to working with these firms, as well as the many firms that have been a part of the IPA family over the years. With the tireless efforts of the staff, associations, consultants, CFOs, firm administrators, human resource directors and many other key staff, the IPA 200 is the one of the most up-to-date, accurate lists available of this next tier of the nation's largest firms.

There's no doubt we have missed some firms because they chose not to be identified, they would not submit data, or they simply were not on the radar screen. If you know of a firm that should be included in this IPA 200, contact IPA at (317) 733-1920, or email us at survey@plattgroupllc.com. ■ **IPA**

**FOR THE COMPLETE LIST OF THE IPA 200, SEE PAGES 14-17.
FIRMS ARE RANKED BY NET REVENUE, UNLESS OTHERWISE NOTED.**

The IPA 200 Movers And Shakers

Atlanta-based **Windham Brannon** takes the prize for the largest jump on the IPA 200 list. Coming in at No. 122 this year, the firm moved an impressive 45 positions. **James Moore & Co.** of Gainesville, Fla., rose 24 positions to land at No. 172. **Gettry Marcus Stern & Lehrer**, Woodbury, N.Y., shot up 23 positions to No. 168. Excluding those firms moving from the IPA 100, 15 firms debuted on the IPA 200 list this year. Congratulations to all. ■IPA

The IPA 200 Fastest-Growing Firms

The IPA 200 fastest-growing firms are expanding – both organically and through mergers – despite the economic environment. Whether they are rebuilding from an off year, or adding to impressive growth from years past, these firms have found a formula that works. We are happy to introduce many new firms to the list, and are hopeful to see them in the IPA 100 in the near future. These firms show great promise for the future. ■IPA
